

EMUS AREN'T NATIVE TO THE NORTHWEST. WE ARE.

You can't truly understand the Northwest from a skyscraper thousands of miles away.

And sometimes, even companies with strong regional heritage turn out to be more easily uprooted than advertised.

Our **Northwest roots** run deep and wide, giving us the **strength** to stand behind the promises we make—and, the **expertise** to fulfill them.

Our A- Excellent rating by AM Best, reaffirmed year after year, is just one reflection of our **stability**, and our exceptional claims service is just one authentic expression of our **character**.

We're making **strategic investments** in our products, our technology, and our agency relationships to make it easier than ever to do business with Mutual of Enumclaw.

Everything we do reflects our unwavering commitment to being the premier Northwest insurance provider for generations to come.

So, if you're looking for insurance experts who know how to protect your local clients, you know where to find us. **After all, we're local, too.**
